

INTRODUCING the NEW Wright Access app

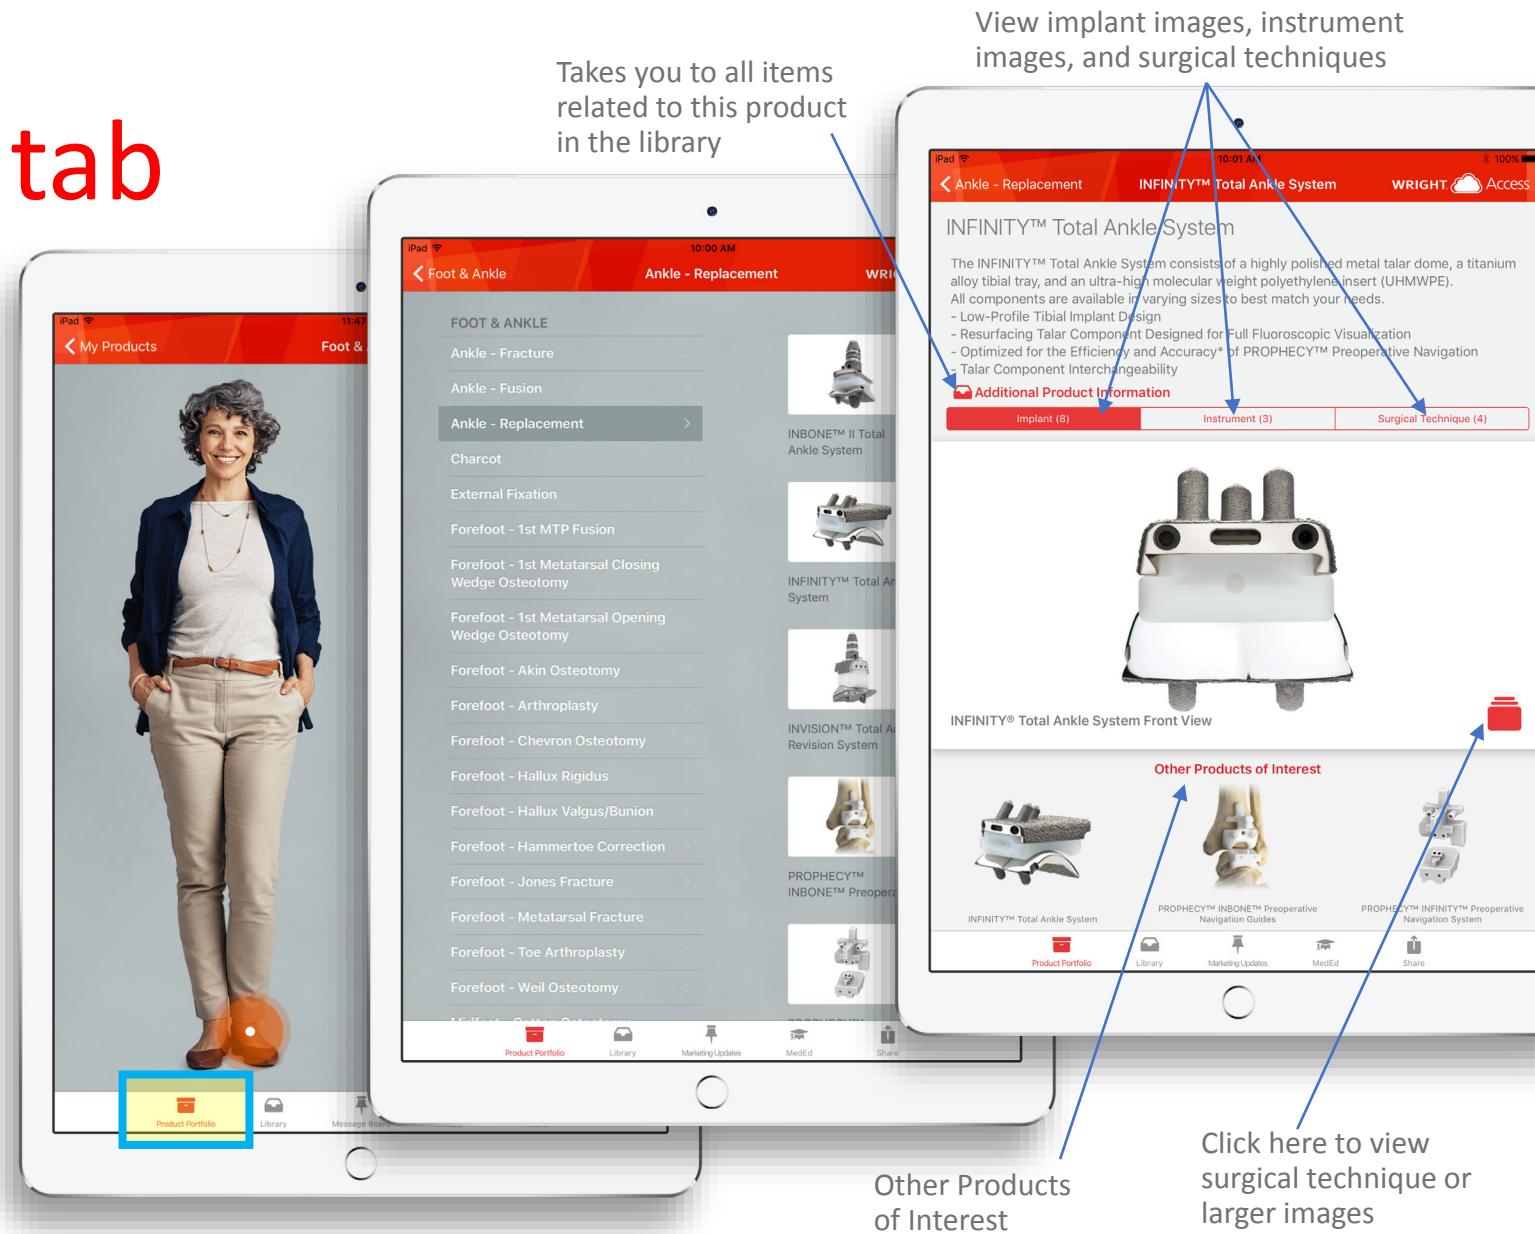

Your Digital Resource for Everything

Brochures, Sales Sheets, Surgical Techniques, Case Studies, Design Rationales, Implant Images, Instrument Images, Videos, White Papers, Journal Article Summaries, Patient Education Materials, Technical Monographs, 510(k) Clearance Letters, Latest News, Marketing Updates, and more

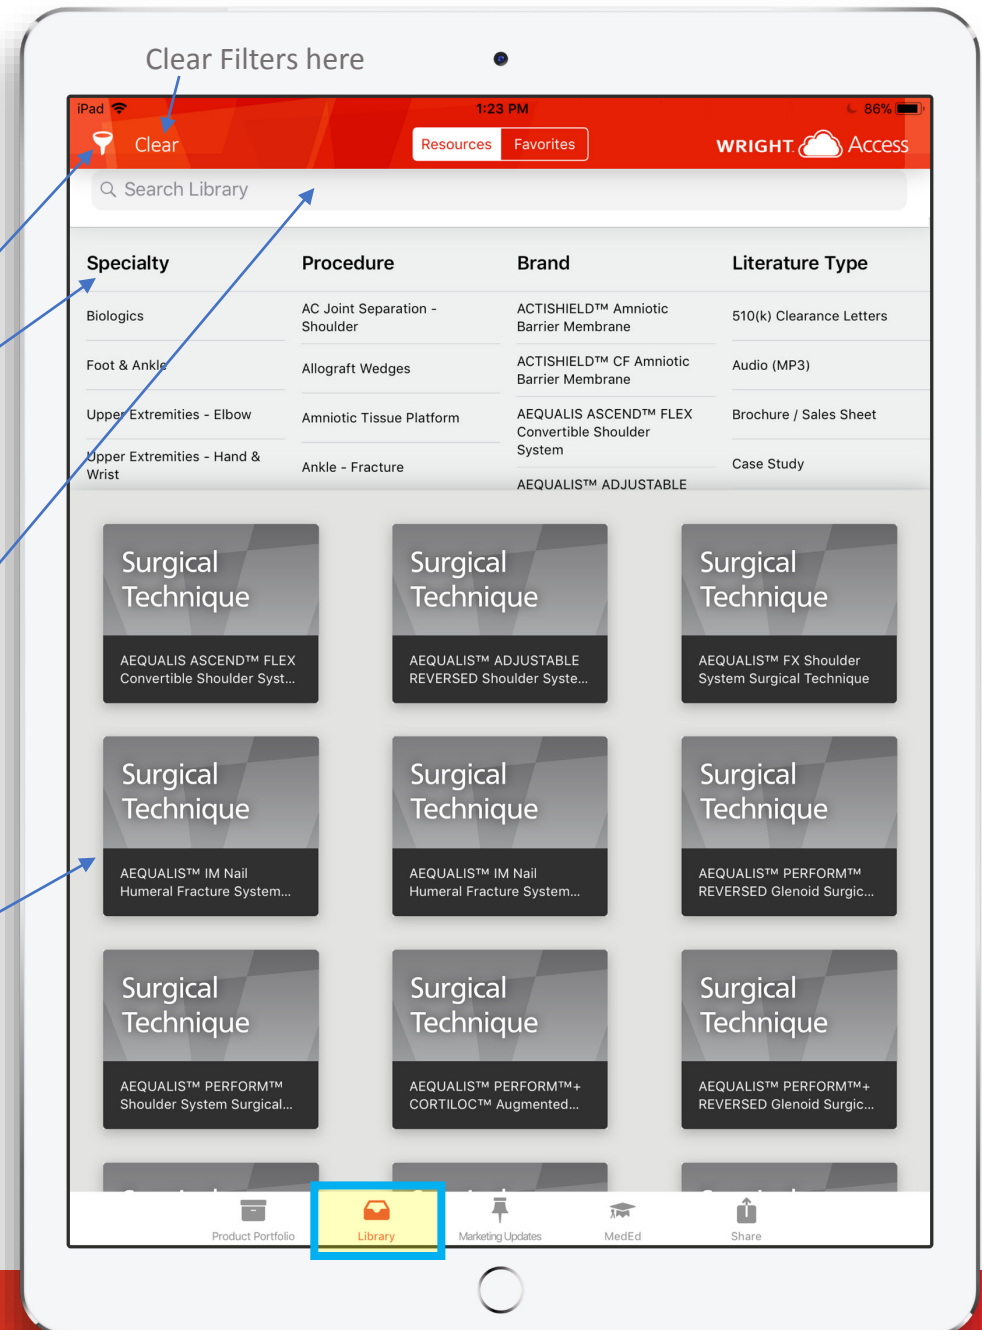

Product Portfolio tab

- Find products based on their Specialty & Disease States/Procedures
- Product page displays product name, description, implant & instrument images, surgical techniques, and other products of interest

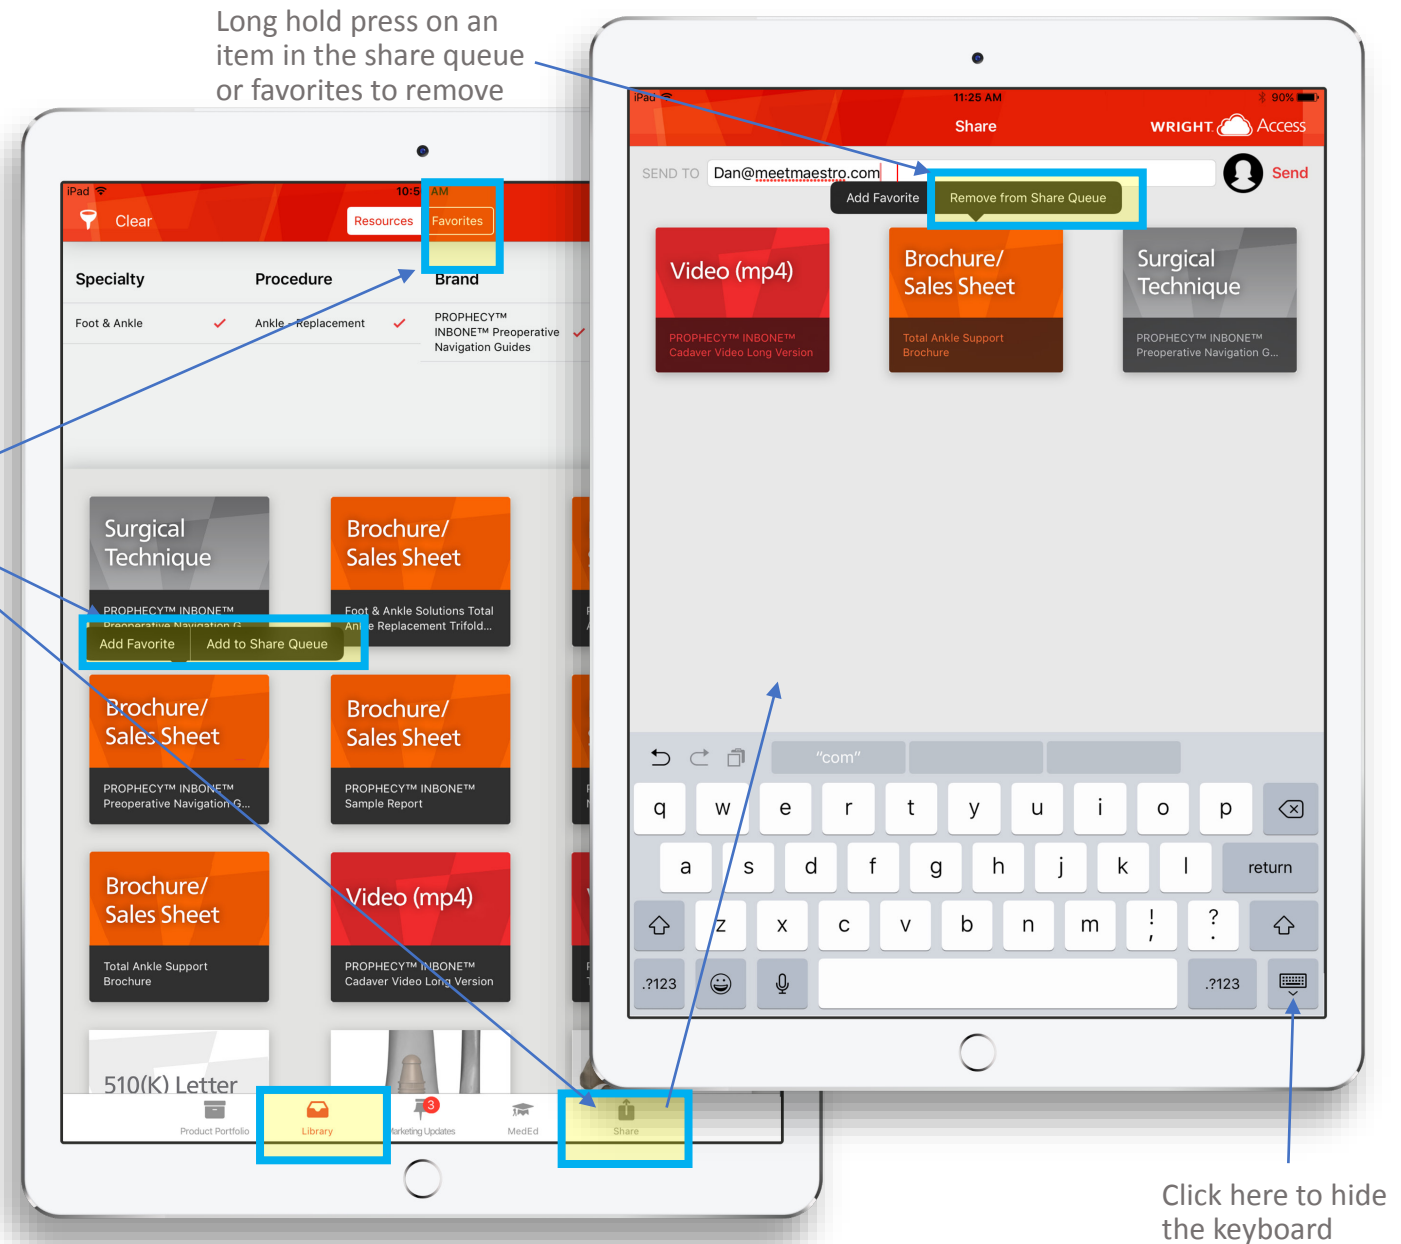

Library

- Collection of all resources listed alphabetically
- Find products using filters:
 - Specialty
 - Procedure
 - Brand
 - Literature Type
- Search for products using a keyword
- Select any item to view

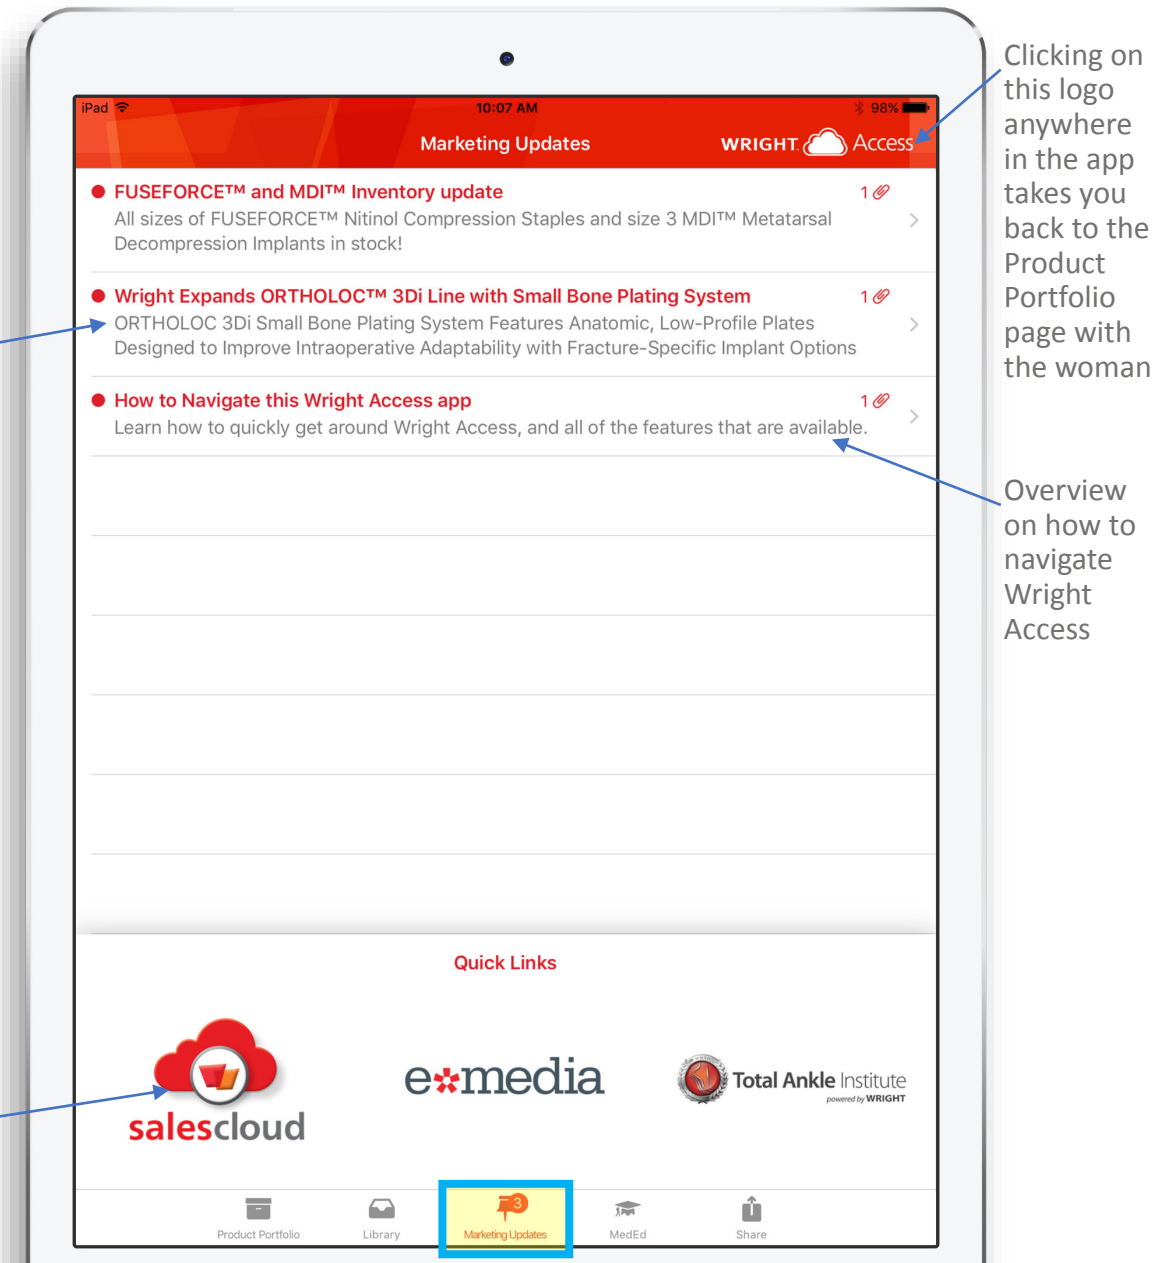

Share/Favorites

- On an ipad, holding down on an item in the library lets you add to Favorites or the Share Queue
- On an iphone, swipe left to favorite and swipe right to add to the share queue
- From the Share tab, you can send by email
- Internal Use Only items won't allow you to share

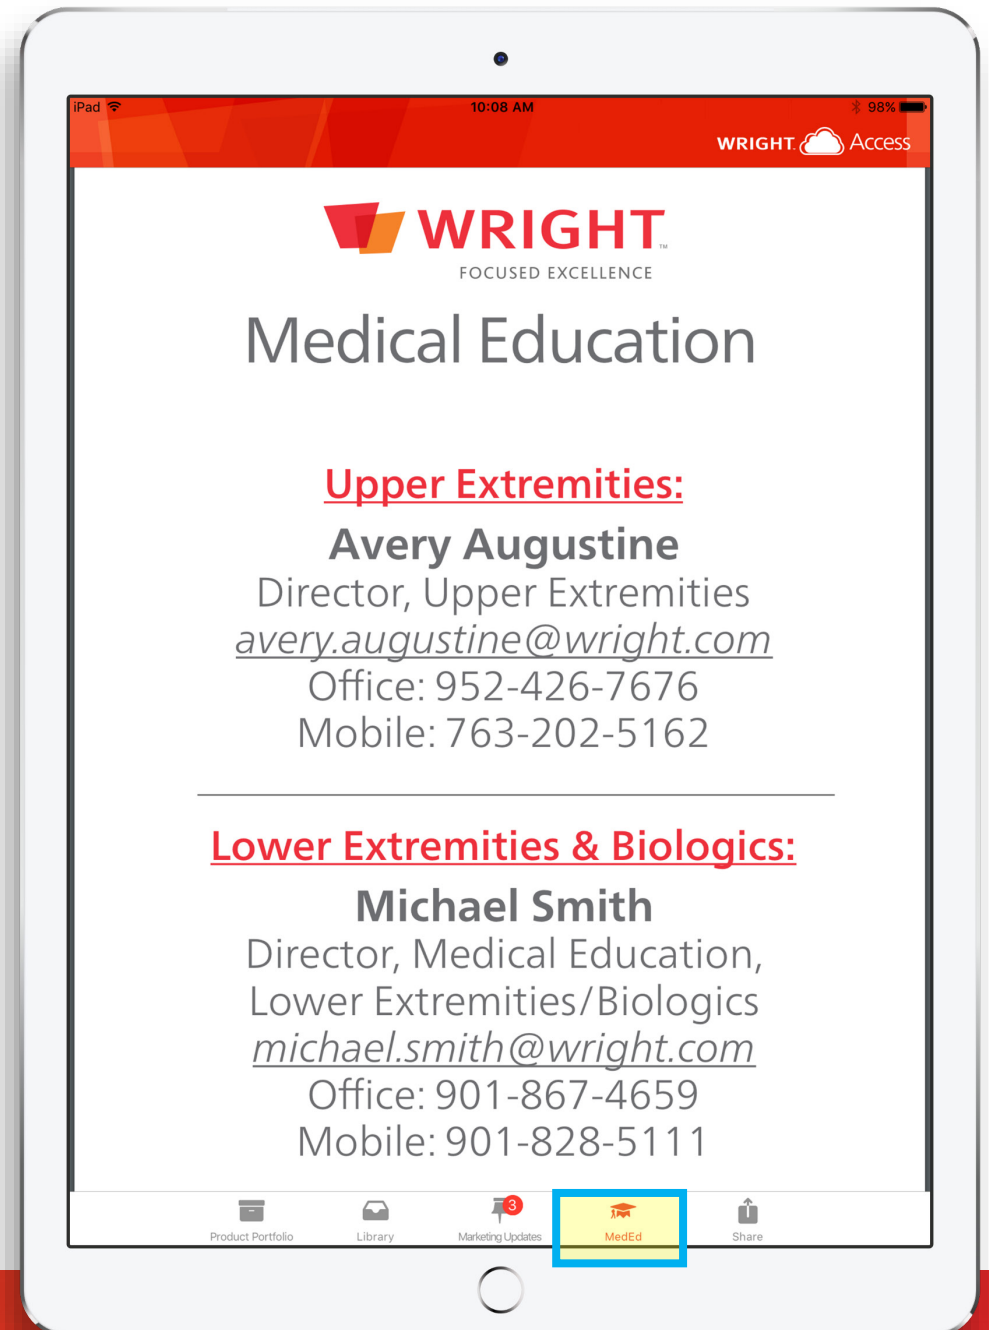

Marketing Updates

- Allows Marketing to push latest news, updates, etc. to reps
- Reps only see information related to their product focus
- When something is added, reps receive a push notification on their device that takes them directly to this Updates tab
- Includes Quick links

MedEd tab

- The MedEd tab contains contact information for Medical Education, along with a link to Wright's MedEd calendar.
- Future plans to link directly into the MedEd Event Management Systems (EMS)

Offline Usage/Log in

- Any previously viewed content can be viewed offline.
- Log into the app using your network credentials.
- Since Okta controls the app, log in expires in one hour and will require you to log in again.
- The Wright Access app is supported on the following devices:

PHONES:

- | | |
|------------------|------------------|
| - iPhone 6 | - iPhone 7 |
| - iPhone 6 Plus | - iPhone 7 Plus |
